

CALIFORNIA & 4-A1 LIONS CARE SERVICE CHALLENGE

CALIFORNIA CARES HAS EXPANDED SERVICE PROJECTS SO THAT CLUBS HAVE MORE OPTIONS IN PARTICIPATING

- July-September (Diabetes, Health, Childhood Cancer)
- October-December (1st Responder, Vets/Military, Hunger)
- January-March (Youth, Vision)
- April-June (Environment)

Clubs decide if there is a service project the members would like to do in that quarter. It is up to the Club. California Cares will recognize the Club for participating. 4-A1 would like each Club to consider participating in the MD4 Service Challenge as it helps unite us, but we also know that you already have plans that make a difference.

District 4-A1 will recognize all Clubs doing service projects in the areas listed above regardless of when the Club holds the service activity.

Recognition will take place at District Meetings throughout the year . Special recognition will be given out at the Convention for Clubs holding service activities in all areas listed above.

Let's have fun as "We Serve"!
